Key 'Ritas ... 12.00

Each Key 'Rita offers a delightful twist on our original margarita. Our Key 'Ritas are named after small keys found in our area that are part of the 10,000 Islands.

The Original Key 'Rita

Tequila, lime juice and triple sec rimmed with sea salt and garnished with lime.

Rabbit Key 'Rita

It's all about the mango on this tropical island. We add mango purée, garnish with jalapeño and mango and rim with tajin chili lime salt.

Picnic Key 'Rita

We add fresh Florida watermelon and it makes for a most refreshing treat on a hot day.

Choko-lada

Our take on a perfectly creamy and sweet piña colada, served the island way.

Smashed Pelican

A blend of Plantation rum, Gastlings rum, blood orange purée, lime juice and pineapple juice will leave you smashed.

Hurricane Lynn

Lynn's way is always best. It's strong, sweet and a little destructive after one too many. Sweet Caroline whiskey, light rum, passion fruit juice and grenadine.

Chokoloskee Bay Breeze

Simple, like the Chokoloskee locals. Cranberry juice, pineapple juice and vodka.

Spicy Red Snapper

Your hangover cure. A blend of gin, tomato juice and all the spices.

Mangrove Mai Tai

Don't go exploring the Everglades after you've had a couple of these! It's guaranteed to get you lost. Dark rum, light rum, Grand Marnier, simple syrup and the juice from a lemon, a lime and an orange.
